NBA's "NEW" 2003 Membership Plan Brings Greater Marketing Opportunities And Benefits!

NO PAIN, NO GAIN. If you understand this, hopefully you will understand the delay in receiving your NBA Membership Renewal applications this year. It takes time to make change and the Newly Elected NBA Board has carefully made changes to the 2003 Membership Plan, which we hope you find beneficial. (Please see the insert).

The first change you will notice is the different levels of membership (i.e. Platinum, Gold, Silver, Bronze). Each Membership level offers you and your business greater savings and benefits. These changes are designed to help create greater marketing opportunities and exposure. Benefits of NBA membership include, but are not limited to: Opportunity to host a network social(Network Socials will

highlight your business in many ways, your business will be featured in the Nokesville Biz, and the date of your social will be promoted to all 900 members of the Prince William County-Greater Manassas Chamber of Commerce), your business listed on the NBA website www.nokesville.net which is linked to the Chambers of Commerce Website www.pwcqmcc.org; 50% discount on all NBA

advertising rates; Referrals; Free Subscription to Nokesville Biz Newsletter; Free Listing in NBA 2003/2004 Business Directory.

We hope you are as energized as we are about the exciting new opportunities the New 2003 NBA Membership Plan offers. We look forward to an exciting year!!

-Jim Hobbs

NBA President

Nokesville Day Date Change

The Ruritan Nokesville Day 2003 is scheduled for Saturday, May 17.

Nokesville Day has traditionally been the first Saturday in June but, in recent years, the attendance has been affected by competing events around the area. Therefore, the Ruritan Club felt it necessary to move Nokesville Day to the third

Saturday in May from now on.

NBA is charged with entertainment for children. We envision one or two activities, such as moonbounce and pony rides, and we'll probably have popcorn and cotton candy. We also will have an NBA booth for information and NBA attire to

raise money for NBA projects which benefit the community and its businesses.

If you can spare even one hour, please contact Jim Hobbs; help yourself by helping out on Nokesville Day.
